Mr. Jim Christiansen, Remedial Project Manager
U.S. EPA Region VIII
999 18th Street, Suite 500
Denver, CO 80202-2466

Subject: Draft Sampling and Analysis Plan (SAP) for the Remedial Investigation
Contaminant Screening Study (CSS) at the Libby Asbestos Site,
Operable Unit 4 (OU4).

Dear Mr. Christiansen:

CDM Federal Programs Corporation (CDM) is pleased to submit the Draft SAP for the CSS at the Libby Asbestos Site, OU4. Copies of this document have been sent out to the stakeholders that you requested. The schedule, as you know, is to have all stakeholder comments back to you by April 15th. CDM will then incorporate these comments and produce the final SAP by April 19th.

If you have any questions or comments regarding the SAP or the schedule, please feel free to call.

Sincerely,

Jeff Montera
Project Manager
